WASHINGTON'S BIRTHDAY AT MAUNALU SEMINARY

On the afternoon of February 22, the faculty and pupils of Maunaloa Seminary, Maui, held appropriate exercises in honor of Washington's Birthday. All present wore badges of red, white and blue, with small paper hatchets on which a bunch of cherries was tastefully painted. On the wall were the pictures of Washington and Lincoln, draped with the Stars and Stripes, while on the blackboards could be seen the lines which portrayed the noble traits of character of each.

It was evident from the enthusiasm which was manifest through the exercises that Maunaloa Seminary was not lacking in a true spirit of patriotism.

Soon after the conclusion of the program a tennis tournament was in order. It was a contest between classes. The first set was between the fourth and sixth grades, the players being Charlotte Gibson and Young Kin Lam Ho, against Sarah Kalaiwa and Elsie Crowell; then played Mabel Naone and Rose Noah of the seventh grade and were again the successful ones. The victors then played a set of singles, and after a hard-fought battle the prize was awarded to Elsie Crowell as the champion of the school. C. L. TURNER.
